Custom LuxStone Wall Designs

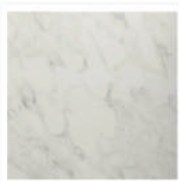

Each design in our LuxStone™ Shower Walls collection was hand-picked by Kohler's industry-leading designers. Shower wall designs range from delicate marble patterns and contemporary brick to soothing neutrals like white and biscuit. Combine them with elegant fittings and a sleek glass door. Use them to reimagine and remodel your shower. Choose one style for every wall, or mix solids and patterns to create an eye-catching feature wall.

Faucets + Fittings

Fittings options span a variety of styles and tastes, from traditional to contemporary. Choose from stylish showerheads or a sophisticated Hydorrail, which features the versatility of a handshower. Pair it with the matching barre and shower door. And they all bear the Kohler name, meaning each piece is designed for the best in form and function, offering an indulgent shower experience every time.
